

RECYCLING SHADED IN BLUE AND GREEN WASTE SHADED IN GREEN

Tips for Curbside Service

- Please place your carts on the curb by 5am the day of service or the night before.
- Please place them 3 feet apart from one another.
- Please remove carts from curb following your service day.
- Do not overload carts; lids must be closed.
- Please do not place carts near basketball hoops, cars, trees or low-hanging wires. Our trucks cannot service carts when they are near these objects.

Too Toxic for Curbside Collection

PUT HOUSEHOLD HAZARDOUS WASTE (HHW) IN ITS PLACE!

Leftover household products that contain corrosive, toxic, ignitable or reactions ingredients are considered HHW. These products should never go down the drain or be disposed of in your collection carts.

Take Household Hazardous Waste to **Delta Diablo Sanitation** located at 2550 Pittsburg-Antioch Hwy in Pittsburg. Drop-off of HHW is free. Please visit their website for a list of HHW items and hours of dropoff: www.deltadiablo.org.
