ORGANIC WASTE IS THE LARGEST WASTE STREAM IN CALIFORNIA accounting for 67% of waste in our landfills. Organic waste is composed of food scraps, food-soiled paper and yard trimmings (small branches, grass, plants). The new state law SB 1383 went into effect on January 1, 2022.

The City of Concord and Mt. Diablo Resource Recovery (MDRR) are working diligently to put all the pieces into place. We will keep all of our customers apprised of that schedule, but as of now, deployment is currently with our commercial customers, with residential and multi-family properties beginning 2023.

To begin preparation for the new organics program, multi-family properties need to ensure that their landscape waste is being diverted from the landfill by either having weekly collection by MDRR, on-site composting or ensuring the materials being hauled to an authorized facility.

CALIFORNIA WASTE STREAM

Multi-family Property Container Options

Cart Option

Size	Height	Width	Depth
96-gallon	43.25"	29.75"	32.25"

General and Construction & Demolition (C&D) Debris Box Rentals

With easy scheduling, unmatched service, and sizes for any job, MDRR debris box rentals are the easiest way to handle those challenging cleanups and remodel projects. **Please be advised, we are the exclusive debris box provider for multi-family properties within Concord.** For more information, call (925) 682-9073 or visit www.mdr.com/debris-box/

INTRODUCING OUR NEW ENHANCED RESOURCE RECOVERY EDUCATION ROOM!

Recycling conditions have changed, and we are changing with them. Mt. Diablo Resource Recovery (MDRR) has embarked upon a strategy to evolve our recycling processing business with significant investments in our operations, including a major retrofit to our Materials Recovery Facility (MRF) and our education room.

These investments help meet state and local regulatory requirements, fulfill our commitment to environmental stewardship, and follow our vision of being the region's premier post-collection processor.

Come take a tour with us and meet Big Blue 2.0!

Environmental education is essential to us, and we love sharing what we are passionate about! Our 45-minute tour at 1300 Loveridge Road in Pittsburg offers students and the community an opportunity to learn firsthand what happens to their recyclables, organics, and garbage.

To schedule a **FREE** tour call: 925.771.2721 or email: Tours@mdr.com.

Recycle your Waste at our Place! The Premier Self-Haul Destination.

Our Recycling Center and Transfer Station - RCTS (Contra Costa Waste Services) is conveniently located at 1300 Loveridge Road in Pittsburg. RCTS is open daily from 7 am to 6 pm (closed Christmas Day & New Year's Day only). We accept solid waste, recyclables, yard waste, paper, wood, plastics, metals, cardboard, construction debris, and more!

Printed on recycled paper with soy-based ink. Please recycle.
