

Household Hazardous Waste

Household items containing corrosive, toxic, or flammable ingredients are considered Household Hazardous Waste (HHW). Do not pour these products down the drain or place them in your collection containers.

The City of Rio Vista HHW Collection Events

The events occur twice annually. Residential disposal is free.

For event dates and drop-off times, and the full list of acceptable HHW items:

Visit: www.riovistacity.com/publicworks

Call: (707) 374-6451

Drugs + Sharps Disposal

Unused medications and sharps should not be thrown away in your collection carts. The following free program is available for residents and offers both drop-off locations and mail-back options for added convenience.

MED-Project: www.med-project.org

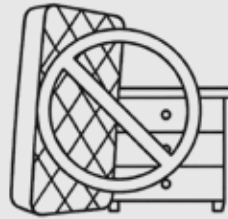

Or call: (844) MED-PROJECT / (844) 633-7765

Household Battery Drop-off

Please drop off your household batteries in our Rio Vista lobby during regular business hours. Our lobby is open weekdays, from 8:00 a.m. - 12:00 p.m. + 1:00 p.m. - 5:00 p.m.

Bulky Items

Larger and bulkier items, including mattresses, box springs, and furniture, are not allowed in the collection carts or bins.

Please contact your property manager to schedule a special pickup for an additional fee or bring your items to our transfer station during normal business hours.

Bulky + Extra Waste Drop-off

RECYCLE YOUR WASTE AT OUR PLACE!

Your friendly + convenient self-haul destination

Our Recycling Center and Transfer Station (Contra Costa Waste Services) is located at **1300 Loveridge Road in Pittsburg**. The facility is **open daily to the public from 7:00 a.m. to 6:00 p.m.** (closed Christmas and New Year's Day only).

Laws + Mandates

California Assembly Bill 341 (AB 341) aims to reduce the amount of reusable material sent to landfills and reduce greenhouse gas emissions.

As of July 1, 2012, California requires all businesses that generate 4 or more cubic yards of garbage a week and multifamily dwellings with 5 units or more to recycle.

California Senate Bill 1383 (SB 1383) is aimed at reducing greenhouse gas emissions, improving human health, and creating clean jobs that support a resilient local economy.

As of January 1, 2022, California requires all residents and businesses, including multifamily complexes with 5 units or more, to separate organic waste for composting or food recovery.

Visit Our Facility

Environmental education is important to us and we love sharing what we are passionate about!

Visit our Materials Recovery Facility at 1300 Loveridge Road in Pittsburg. We offer students and the community an opportunity to learn firsthand what happens to their recyclables, organics, and garbage. To schedule a visit, contact: visit@mdrr.com

PER STATE LAW: PROPER SEPARATION OF ORGANICS AND RECYCLABLES IS MANDATORY.

Organics

The organic material collected by our trucks is taken to a compost facility and turned into enriched soil.

ACCEPTED MATERIALS:

Meat • Fish • Poultry • Bones • Fruits • Vegetables • Grains
Plate Scrapings • Food-Soiled Paper • Leaves • Grass Clippings
Plant + Garden Trimmings • Weeds • Branches + Twigs (no more than 3-inch diameter and 3 feet long)

Dirt • Sod • Palm Fronds • Rock • Concrete
Pet Waste • BPI Certified Products
Bioplastics • Hazardous Materials

Recyclables

Please only place acceptable, clean, empty and dry items loosely in the recycling container.

ACCEPTED MATERIALS:

Plastics #1 PET + #2 HDPE • Bottles • Jars • Tin • Cans
Cereal + Snack Boxes • Cardboard • Clean Paper

Plastic containers #3-#5 + #7 are acceptable, but please reduce your consumption as these are challenging to recycle.

Food-Contaminated Containers • Plastic Film
Foam Products • Waxed Cardboard
E-Waste • Batteries • Hazardous Materials

Garbage

Bag items that are not reusable, recyclable, or compostable, and place them in the garbage container. Donate items in good condition.

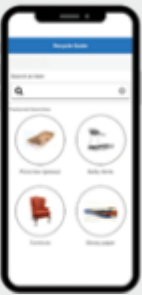

Recyclable Items • Yard Waste
Food Waste • E-Waste • Fluorescent Bulbs
Hazardous Materials • Batteries

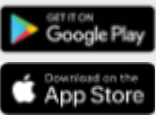

Outreach + Education

Our Community Relations team is here to help your community! Ask your property manager or owner to schedule a free training. Spanish-speaking staff available.

Recycle Resource Tool

Visit mdrr.com/rrt or download our mobile app to find the correct destination for unwanted items.

Helpful Tips

Donate or sell items that are still in good shape instead of throwing them away.

Appliances, E-waste + Bulky items are prohibited; see the resources on the rear panel for details.

Not sure if it's recyclable? Use the Recycle Resource Tool at mdrr.com/rrt.

Keep it clean. Place recyclables in the designated container empty, clean, and loose (no bags).

Collect food scraps in a reusable container, like a coffee can or plastic tube, before emptying the contents into the larger organics container.

Fight odors. Sprinkle a little baking soda in your indoor reusable container.

Flatten cardboard boxes to maximize space in the recycling container.
