Free Christmas Tree Recycling

There are 2 easy ways to recycle your Christmas tree:

AT THE CURB: Scheduled in advance, Christmas trees will be picked up curbside at no additional charge. Trees longer than 3 feet must be cut into 3-foot sections before placing the pieces inside or next to your organics cart. Pieces larger than 3 feet cannot fit inside the truck.

DROP OFF: Bring your tree to our 1300 Loveridge Road Facility in Pittsburg. Christmas trees will be taken at no charge — limit one tree per vehicle. *See below for our facility hours.*

NOTE: Remove all tinsel, ornaments, lights, and tree stands. Flocked trees cannot be recycled and must be disposed of as garbage — consider using an artificial flocked tree that can be reused year after year.
