**22 MILLION POUNDS**  
of reusable items collected and donated.

### A Message from Kish Rajan, CEO

As a father of three Gen Z kids, I've watched them grow up deeply aware of climate change and motivated to make a difference. Their passion for sustainability inspires me every day in my role at Mt. Diablo Resource Recovery (MDRR). It's what drives our commitment to reducing greenhouse gas emissions, giving new life to reclaimed materials, and keeping as much as possible out of landfills. Plus, it just makes good business sense.

Every day, our team proves that we can maximize recycling and diversion, make the cities we serve cleaner and more sustainable, and strengthen our company at the same time. Waste management today isn't just about emptying garbage bins and carting waste to the landfill — it's about innovation and helping our customers reach their environmental quality goals.

Recycling and composting are key components of that diversion. Each year, MDRR collects and manages 160 million pounds of recyclables and 120 million pounds of organic waste, while also helping customers understand how to use these programs effectively.

But we don't stop there. Ten years ago, we partnered with RecycleSmart (Central Contra Costa Solid Waste Authority) to collect reusable items and find them new homes. At our Pittsburg warehouse, curbside-collected reusables are sorted and distributed through dozens of community organizations to families in need. Over the years, this has meant redistributing student desks to local schools and furnishing homes for those previously unhoused or aging out of foster care.

### 2025-26 Holiday Collection Schedule

THURSDAY	FRIDAY	SATURDAY
<b>12/25</b>	<b>12/26</b>	<b>12/27</b>
No Service Christmas Day, Office Closed	Service for Thursday Customers	Service for Friday Customers
<b>1/1</b>	<b>1/2</b>	<b>1/3</b>
No Service New Year's Day, Office Closed	Service for Thursday Customers	Service for Friday Customers

Christmas and New Year's Day fall on Thursday this year. There will be no collection on these holidays. All regularly scheduled Thursday and Friday customers will take place one day later. **Thursday's pickup will be on Friday, and Friday's pickup on Saturday.** Normal service will resume after two weeks.

## Garbage Service Available in 20, 32, 64, and 96-gallon

For more information, including pricing, visit [www.mdrr.com](http://www.mdrr.com)

## TIPS FOR CURBSIDE CONTAINER PLACEMENT

- Place cart curbside by 5 am the day of service or the night before.
- Place the bagged recycling and green waste next to your garbage cart.
- Remove cart from curb following your service day.
- Do not overload cart; lid must be closed. For extra service please contact us for pickup options.
- Do not place cart or bagged recycle/organics near basket ball hoops, cars, trees or low-hanging wires. Our trucks cannot service when items are near these objects.

## WEEKLY CURBSIDE COLLECTION SERVICE:

### GREEN WASTE

The green waste material collected by our trucks is taken to a compost facility and turned into enriched soil.

**ACCEPTED MATERIALS:** Brush • Flowers • Plant + Garden Trimmings • Grass Clippings • Leaves • Tree Trimmings • Weeds

Dirt • Sod • Palm Fronds • Rock • Concrete • Pet Waste • BPI Certified Products • Bioplastics • Hazardous Materials

### RECYCLABLES

Please only place acceptable, clean, empty, and dry items loosely in the recycling bag.

**ACCEPTED MATERIALS:** Plastics #1 PET + #2 HDPE • Bottles • Jars • Tin • Cans • Cereal + Snack Boxes • Cardboard • Clean Paper

Food-Contaminated Containers • Plastic Film • Foam Products • Textiles • E-Waste • Batteries • Hazardous Materials

### GARBAGE

Bag items that are no longer usable and place them in the garbage container. Donate items that are in good condition.

Recyclables • Yard Waste • Fluorescent Bulbs • E-Waste • Batteries • Hazardous Materials

## BLUE + GREEN BAG DISTRIBUTION

Annually, towards the beginning of the year, each household in Marsh Creek will receive two boxes, each consisting of 52 bags.

Weekly, use one **blue bag for your recyclables** and one **green bag for green waste**. Our truck will collect your bags and cart; your bagged materials are further processed at our recovery facility.

Recyclables

Green Waste

## BEYOND THE CART

Marsh Creek residential customers with active service can contact MDRR for the following curbside services at no additional charge:

**Two On-Call Pickups:** Each calendar year we will collect up to twelve 32-gallon bags of household garbage or yard waste weighing no more than 50 pounds apiece. If you have branches, tie them in a bundle no larger than 18" x 3'. On-call pickups must be at least one week apart.

**Bulky Item Pickup:** You can call to schedule ONE bulky item pickup per year. Which may be an appliance, electronic, or a piece of furniture weighing at most 200 pounds.

**Used Motor Oil + Filter Pickups:** Please contact our office to request a motor oil recycling kit. We will provide a free 6-quart oil container and sleeve. Once received and filled, contact us, and we'll schedule a pick up.

**Household Battery Recycling:** Drop off household batteries in the Battery Recycling Container inside our Oakley lobby during normal business hours. Automobile batteries must be taken to your local HHW Facility.

**To schedule services call: (925) 682-9113, text (925) 690-5487 or email: [Customersupport@mdrr.com](mailto:Customersupport@mdrr.com).**

**Safe Drug + Sharps Disposal:** For information on safe disposal resources for medications and sharps, please visit:  
**Medications:** [www.medtakebackcalifornia.org](http://www.medtakebackcalifornia.org)  
**Sharps:** [www.sharptakebackcalifornia.org](http://www.sharptakebackcalifornia.org)

## HOUSEHOLD HAZARDOUS WASTE IS TOO TOXIC FOR YOUR CARTS

Sharps

Prescription medication

Compact fluorescent light bulbs (CFLs)

Electronics

Household batteries

Household items containing corrosive, toxic, or flammable ingredients are considered Household Hazardous Waste (HHW). Never put these products down the drain or in your carts. Dispose of fat, oil, and grease (FOG) with HHW products. **Take HHW including sharps + medications to Delta Diablo** at 2550 Pittsburg-Antioch Hwy in Pittsburg. Disposal is free. For a list of HHW items and drop-off hours, call (925) 756-1990 or visit [www.deltadiablo.org](http://www.deltadiablo.org).

## A Message from the CEO cont.

So far, we've collected and donated more than 22 million pounds of reusable items — materials that otherwise would have ended up in the landfill. And we're just getting started.

Building on our success, we're expanding local partnerships to support youth and families. Through a new program with **The First Tee of Contra Costa**, Executive Director Brandon Garcelon, and **Play It Again Sports**, donated sporting goods now help fund First Tee's youth development programs. We're also growing our Back-to-School project to provide at least 500 fully stocked backpacks to local children in need.

These efforts reflect our ongoing promise to our customers, community, teammates — and my own kids — **to keep making a real difference for generations to come.**

I'm proud of how far we've come and excited for what's ahead.

## VISIT OUR FACILITY

Visit our Materials Recovery Facility at 1300 Loveridge Road in Pittsburg. We offer students and the community an opportunity to learn firsthand what happens to their recyclables, organics, and garbage. To schedule a visit, contact: [visit@mdrr.com](mailto:visit@mdrr.com)

## TEMPORARY DUMPSTER & DEBRIS BOX RENTALS

With easy scheduling, unmatched service, and sizes for any job, MDRR dumpster and debris box rentals are the easiest way to handle those challenging cleanups and remodel projects.

**Our Oakley office will be relocating in early 2026. More details will be shared soon!**

## Free Christmas Tree Recycling

There are 2 easy ways to recycle your Christmas tree:

**AT THE CURB:** Scheduled in advance, Christmas trees will be picked up curbside at no additional charge. Trees longer than 3 feet must be cut into 3-foot sections before placing the pieces next to your garbage cart. Pieces larger than 3 feet cannot fit inside the truck.

**DROP OFF:** Bring your **full-size tree (no need to cut it)** to our 1300 Loveridge Road Facility in Pittsburg. Christmas trees will be taken at no charge — limit one tree per vehicle. See below for our facility hours.

**NOTE:** Remove all tinsel, ornaments, lights, and tree stands. Flocked trees cannot be recycled and must be disposed of as garbage — consider using an artificial flocked tree that can be reused year after year.

## RECYCLE YOUR WASTE AT OUR PLACE!

## YOUR FRIENDLY & CONVENIENT SELF-HAUL DESTINATION

Our Recycling Center & Transfer Station (Contra Costa Waste Services) is conveniently located at 1300 Loveridge Road in Pittsburg. Our full-service transfer station is open daily to the public from 7:00 am to 6:00 pm (closed Christmas Day + New Year's Day only). We accept solid waste, organics, yard waste, wood, plastics, metals, cardboard, building material, dirt, rock, concrete, electronics, appliances, and more. For pricing, please visit [www.mdrr.com/rcts](http://www.mdrr.com/rcts).
